

Keston CE Primary PE and School Sport Premium

What is the PE and School Sport Premium?

Since 2013 the Government has dedicated funding to develop PE and sport in schools. This funding to schools is 'ring fenced' which means it can only be used to improve the provision of PE and sport as well as enhancing healthy lifestyles in either curricular or extra-curricular settings. How schools decide to undertake this task remains the decision of the primary schools themselves.

Keston CE Primary School received a total of £9,040 for the academic year 2015-16 and £8,990 for 2016-17. Since then the grant has doubled to £17,910 p/a. The School is complying with the guidance and below is our PE and School Sport Funding Impact Spreadsheet which shows how the funding is being used to impact upon the development of Sport and PE at Keston. This will further your child's enjoyment, acquisition of skills, understanding and general development in sport and PE.

It is expected that schools will see an improvement against the following 5 Key indicators:

- The engagement of all pupils in regular physical activity and healthy lifestyles
- The profile of PE and sport being raised across the school.
- An increase in the confidence, knowledge and skills of all staff in teaching PE and Sport.
- Broader experience of a range of sports and activities
- Increased participation in competitive sport

Please see below the PE and School Sport Funding Spreadsheets since 2013
