

Keston CE Primary School

School Uniform and Appearance Policy

Date: Jan 2020

Keston has a uniform as indicated on the school website. School uniform is an essential part of the ethos of our school as it emphasises the importance of belonging to Keston School. It should be worn properly, with pride at all times, both in and out of school.

Equal Opportunities

We recognise that our pupils bring with them a wide variety of behaviours influenced by life experiences outside school. We aim to respond to each case professionally, objectively and compassionately. We are sensitive when working with children and families with specific needs and experiences and we continuously seek ways to promote successful partnerships. The basis of differentiation will vary dependant on the needs of each case but we will take into account the views of parents, staff and external agencies together with any statement of special educational need or Education, Health and Care Plan. We will also ensure compliance with the Trust's Equality Policy taking into account pupils with protected characteristics and making reasonable adjustments for pupils with a disability within the meaning of the Equality Act 2010. Keston will be sensitive to the needs of different cultures, races, religions and gender.
