

Dear Parents,

What an unprecedented week this has been. Firstly, I would like to thank my wonderful staff for their dedication and hard work in ensuring this week operated smoothly and making sure the children received their homework packs. They even provided a home delivery service! Thank you parents for your kind words and generous gifts.

JTA Competition of coming to school

Our Comic Strip competition has been postponed until we come back- so get creating.

Keston Bank

I am delighted to announce our new bank clerks are Ralphie, Gabriella, Daisy and Rhea (Y5).

When we return we will train them ready to start in September. Jacob (Y6)

Keston Bank Lifesavers Savings Clubs accounts

Please find below a message from Lifesavers.

We at Lifesavers advise that all parents are informed of how to access their children's money independent of the school should they find it necessary in the coming weeks.

The preferred option is for the parent or guardian to come in to the Credit Union for a face-to-face conversation but when that option is no longer possible, email (info@engageaccount.com) and phone (+44 0 333 202 3642) will suffice. Their staff will still be working normal hours. When withdrawing, the Credit Union will need to make sure the details of the parent or guardian on the Lifesavers platform (the details provided to the school when joining the club) matches the details of the person is requesting the withdrawal.

Staff

Those who are well and not having to isolate will be in school. It would be preferable if you could e-mail the school rather than phone.

Children of key workers must have their homework packs as these will form their basic education in school.

Finally, I hope you all stay safe and well! Hopefully we will all be back to normal before too long.
