

Keston CE Primary PE and School Sport Premium

What is the PE and School Sport Premium?

Since 2013, the Government has provided dedicated funding to schools to develop PE and sport. The funding is 'ring fenced' and can only be used to improve the provision of PE and sport as well as enhancing healthy lifestyles in either curricular or extra-curricular settings. Within this remit, schools are able to decide themselves how best to use the funding in their setting.

Keston CE Primary is fully compliant with the guidance. Below is our PE and School Sport Funding Impact Spreadsheet which details how the funding is being used to impact the development of sport and PE at Keston in order to further your child's enjoyment, acquisition of skills, understanding and general development in sport and PE.

It is expected that schools will see an improvement against the following 5 Key indicators:

1. The engagement of all pupils in regular physical activity and healthy lifestyles
2. The profile of PE and sport being raised across the school.
3. An increased confidence, knowledge and skill base with regards to all staff in their teaching of PE and sport.
4. Broader experience of a range of sports and activities
5. Increased participation in competitive sport

PE and School Sport Funding 2019-20

Total Amount of Grant = £17,780

| Funding used for: | Budget | Evidence | Impact: Expected/Actual <i>Key Indicator of spend</i> | Sustainability/Next Steps |
