

Keston CE Primary PE and School Sport Premium

What is the PE and School Sport Premium?

The Government since 2013 has dedicated funding to develop PE and sport in schools. This funding to schools is 'ring fenced' which means it can only be used to improve the provision of PE and sport as well as enhancing healthy lifestyles in either curricular or extra-curricular settings. How schools decide to undertake this task remains the decision of the primary schools themselves.

The School is complying with the guidance and below is our PE and School Sport Funding Impact Spreadsheet which shows how the funding is being used to impact upon the development of Sport and PE at Keston. This will further your child's enjoyment, acquisition of skills, understanding and general development in sport and PE.

It is expected that schools will see an improvement against the following 5 Key indicators:

1. The engagement of all pupils in regular physical activity and healthy lifestyles
2. The profile of PE and sport being raised across the school.
3. Increase confidence, knowledge and skills of all staff in teaching PE and Sport.
4. Broader experience of a range of sports and activities
5. Increased participation in competitive sport

Please see below the PE and School Sport Funding Spreadsheets.

PE and School Sport Funding 2020-21

Grant=£17,780

Funding used for:	Budget	Evidence	Impact: Expected/Actual Key Indicator of spend	Sustainability/Next Steps
<p>Competition Entries for the school games competition.</p> <p>Football district League</p> <p>Staffing for the competitions throughout the calendar year and the coaching leading up to competitions.</p>	<p>£200</p> <p>£60</p> <p>£10,736.92</p>	<p>Every competition available to us, since the return to school we have attended in lots of different sports.</p> <p>Sports coach present at every sporting event to help progress the team while at the event.</p>	<p>4. broader experience of a range of sports and activities</p> <p>5. increased participation in competitive sport</p> <p>We have taken part in competitions in football, athletics and Tri-golf since returning. I have tried to get as many children out to represent the school, which has been hard because there have been less competitions. We have focused on getting year 6 out as they have missed all the normal competitions.</p> <p>Trials enable the squad to perform well/win the small schools swimming competition.</p>	<p>Get back to as many competitions as we can to expose the children to competition.</p>
<p>Equipment</p> <p>Foam Balls</p> <p>Basketball hoop</p> <p>Speed stacking cups</p> <p>Vertical Jump</p> <p>Stop watches</p>	<p>£349.53</p> <p>£44.95</p> <p>£104</p> <p>£170</p> <p>£96.65</p>	<p>Be used at break times and lunch times.</p> <p>Used in break times and during lessons.</p> <p>All pupils enjoyed and reduced their time to stack 6 cups. Some progressed to 12</p> <p>Children been able to practice their vertical jump.</p> <p>Children being able to time each other's.</p>	<p>2. The profile of PE and sport being raised across the school.</p> <p>1. The engagement of all pupils in regular physical activity and healthy lifestyles</p> <p>To be able to keep active of a playtime and lunch time, for them to improve their skills and keep them structured during a lunchtime.</p> <p>To help expose more children to different sports, to play in their own time. To improve their knowledge of a new sport.</p> <p>An inclusive sport to be introduced to all the pupils in health week. To be continued to be used to improve hand eye coordination and to encourage nonphysical sports.</p> <p>To correctly measure and practice their vertical jump for competition. This can be used when needed as is in a suitable place to be used whenever needed.</p>	<p>Have a local community club connection.</p> <p>To allow the children to practice more often to improve their results.</p> <p>To improve knowledge on how to work them correctly.</p>

PE Resources	£251.95	Re stocked some equipment	<p>Its allowed the flow of the lessons to work better with them being able to time each other in pairs now. The improvement of self-working and team work has hugely improved.</p> <p>This allows us to continue with the different sports that we do within school. To re promote the sports as the kids love to use new equipment.</p>	
External Interactive Display Board – Anomaly	£3,493	<p>Display board out front of the school for all the children and parents to see in the mornings and afterschool.</p> <p>Information displayed – such as upcoming sporting events. Activity videos on in the mornings and after school for the children to copy and keep them engaged before school.</p>	<p>1.the engagement of all pupils in regular physical activity and healthy lifestyles 2.the profile of PE and sport being raised across the school. 4.broader experience of a range of sports and activities</p> <p>The board can advertise a variety of school events including dates, results of competitions along with photos. Children can also participate in the displayed sports activities while they wait to enter school. Teachers can also use the cross curricular link which introduces games with a physical element.</p>	Discontinue next year 2021 as the costs are not proportionate to the benefits
KS1 Trim trail	£1586	Trim trail needed replacements, due to wear and tear.	<p>1.the engagement of all pupils in regular physical activity and healthy lifestyles</p> <p>The trim trail allows children to play on it during their breaks throughout the day. Keeps them focused on having fun while always using different core skills such as balance. This is also structured play and can be taken into account with the 1 hour of activity daily.</p>	Continue to use during breaks and maintain the repairs, which have been done.
Health Week Magic road show Archery Life bus First Aid Mindfulness	£661	<p>Every child in the school participated in these events. Improving knowledge of first aid to be able to help people if someone was injured. Everyone took part in archery, which is not something you can just do on your own, so we exposed them to a new sport. Improve knowledge on first aid to help them feel confident on basic skills.</p>	<p>1.The engagement of all pupils in regular physical activity and healthy lifestyles 4. Broader experience of a range of sports and activities.</p> <p>Introduce pupils to new sports and educate them in different areas such as healthy living, archery. We now have new links with different outside providers.</p> <p>First aid workshops to build knowledge and skills required for everyday life. Building a positive strong mental health.</p> <p>Mindfulness has helped impact the children by helping them to discover ways in how to relax. This is very important especially this year where it’s been more stressful, with the uncertainty of covid.</p>	To continue to progress their first aid knowledge throughout their time at school.
Total Spend	£17,650			

86% of current Y6 pupils swim competently, using a range of strokes confidently and proficiently over a distance of at least 25m

0% of current Y6 pupils who participated in Top Up swimming in Y5 . No pupils participated in top-up swimming 2021 due to Covid.

Orienteering	£1,480	<p>Lesson plans and equipment to be able to teach orienteering. Electronic maps and software to be able to change where the plaques are located.</p> <p>KS2 had experienced a few of the lessons, to give them and little taster of what is going to happen in the next year where all classes will experience a block of Orienteering.</p>	<p><i>2. The profile of PE and sport being raised across the school.</i></p> <p><i>3. Increase confidence, knowledge and skills of all staff in teaching PE and Sport.</i></p> <p><i>4. Broader experience of a range of sports and activities</i></p> <p>Mapping of the school with destinations for the plaques and lesson plans. CPD provided for the teachers.</p>	To as a school use orienteering in a more cross curricular way, to increase more active learning.
<p>Competition Entries for the school games competition.</p> <p>Bromley primary school cross country</p>	<p>£550</p> <p>£144</p>	<p>High participation rate in competitions is sustained. KS2 68% represented the school, 80% of Y5/6 children have represented the school.</p> <p>Achieved Gold school games award for the 4th year running.</p>	<p><i>4.broader experience of a range of sports and activities</i></p> <p><i>5.increased participation in competitive sport</i></p> <p><i>56% of children have currently taken part in sporting competitions.</i></p> <p>With coaching prior to event they will perform at a higher level. Increase confidence. Influence others in the school to see possibilities and further the sporting ethos/vision of the school.</p> <p>Highest participation levels in the y3/4 BPSCCA races, which allowed us to enter the teams and the small schools cup for the first time in a few years.</p>	<p>Enter next year to see the progression of the runners, to see if they can beat previous year score.</p> <p>Track participation of individuals to inspire those not competed to do so.</p>
Staffing for the competitions	£1530	Sports coach present at every sporting event to	Able to enter as much competition as possible to expose as many children as possible in a broad range of sports.	

throughout the calendar year.		help progress the team while at the event.		
Biggin Hill Pool hire.	£135	Held the swimming trials, to be able to pick the team. Won the small school swimming finals.	From having the trials this allowed us to win the small schools swimming competition.	
Smoothie Bike	£1,239	Smoothie bike in school colours, to use whenever we want too. Y2 and Y6 used the smoothie bike throughout the health week. Will happen every year without a cost from now on.	1.the engagement of all pupils in regular physical activity and healthy lifestyles 3.increase confidence, knowledge and skills of all staff in teaching PE and Sport. To increase the range of knowledge of fruits, also to engage in more physical activity. Children can use throughout the year to increase the amount of fruit they are eating; teachers can go through the benefits of smoothies and what goes in them.	Don't have to hire one through a company so are saving in cost in the long run.
Equipment	£2,375	Gym Mats - Gymnastics in the school has become more professional and the standard has improved due to having a bigger gym floor for gymnast to perform routines and practice.	2. The profile of PE and sport being raised across the school. 4.broader experience of a range of sports and activities The gym mats have given more floor space to be able to perform gymnastics routines to a higher standard, raise the profile of gymnastics.	Gym mats will be able to be used for years to come, just keep looked after and get them checked.
New Age Kurling	£250.96	New Age Kurling - Children got exposed to a new sport, to broaden their range of sports they had tried.	Went to a competition for the first time for new age kurling, need a set to be able to use in school to then expose the rest of the children that didn't go to the competition.	Teach more of this before the competition next year so are more prepared. Have our own equipment so could run little games between classes.
External Interactive Display Board – Anomaly	£3,493	Display board out front of the school for all the children and parents to see in the mornings and afterschool. Information being displayed for the school information – such as upcoming sporting events. Activity videos on in the mornings and	1.the engagement of all pupils in regular physical activity and healthy lifestyles 2.the profile of PE and sport being raised across the school. 4.broader experience of a range of sports and activities The board can advertise anything you want on it including term dates, upcoming dates and things happening. It also has the capacity to have sports activities on for the children to be able to do in the mornings. Can also use the cross curricular link which it has different subject games on it, to allow to use during a lesson if you want to get a physical element in to it also.	Use for morning activity classes that the children can copy. Promote healthy eating and activities, use for the next 3 years. Audit how many children use it in the morning and parents that read it.

		after school for the children to copy and keep them engaged before school.		
Health Week Activities	£2,300	<p>Life Bus, First Aid Workshops, Yoga and Supermoovers.</p> <p>Every child in the school participated in these events. Improving knowledge of first aid to be able to help people if someone was injured. Had a professional football skills person come in and teach children some basic football skills. Yoga for all the children which is good for mental health and how to relax.</p>	<p>1.The engagement of all pupils in regular physical activity and healthy lifestyles 4.Broader experience of a range of sports and activities.</p> <p>Introduce pupils to new sports and educate them in different areas such as life bus, yoga and supermoovers. Also in first aid workshops which they can use in everyday life if they need to. Building a positive strong mental health.</p>	<p>The children can use what they learnt in everyday life.</p> <p>New links with the school for future training/sessions.</p>
