Last Friday 3 children from Y4 went to Cudham School to learn about how the local environment has changed in Cudham since Darwin's research in the 1850's.

"We collected mud which we now water at home to see what grows. We tried pond dipping and Harry found a baby newt. We used a quadrat in the hedgerow and meadow to carry out research into the different types of plant life in the area. It was good fun". Ada

Junior Citizens Scheme

On Monday Y6 attended a Junior Citizen Scheme workshop at Bromley football Club. They had a 10 minute input from various agencies, including the police, fire brigade and TFL. "We learnt what to do in a fire, we should keep low and cover our mouth. We were told about the different types of police officers. TFL talked to us about how to travel safely on the bus and trains. A member of staff from the football club talked to us about healthy eating. It was good fun". Riya and Kyle.

Y6 Rochester Cathedral trip

On Tuesday Y6 attended the Church Schools' Celebration at Rochester Cathedral where they took part in a variety of reflective workshops on the theme of journeys, hopes and dreams. They also had the opportunity to discover more about the Cathedral. "They talked to us about the history of the Cathedral. We learnt a hymn and took part in worship. We made a key chain and each bead represented something for example friendship/love. We discussed our journey through primary school and transitioning to secondary school". Riya and Kyle.
